**EYE PROTECTION**

Deleted: Life-Threatening Health Conditions¶

Deleted: Prior to attendance at school, each child with a potentially life-threatening health condition shall present a medication or treatment order addressing the condition. A life threatening health condition means a condition that will put the child in danger of death during the school day if a medication or treatment order providing authority to a registered nurse and nursing plan are not in place. Following submission of the medication or treatment order, a nursing plan shall be developed.¶  
**INFECTIOUS**

The superintendent shall establish procedures that give assurance that students' and employees' eyes are properly protected while engaged in potentially dangerous mechanical or manual activities within vocational or industrial arts shops and science or other school laboratories.
