

Policy

BP 4122

Community Relations

Legal Information Sources

Schools shall operate in compliance with local, state and federal regulations. The superintendent shall provide each school and service center with copies of the district's policy and procedure manual, rules and regulations of the state superintendent of public instruction (WAC 392) and state board of education (WAC 180) and the education code (RCW 28A). These publications shall be made available for use by staff, students and interested citizens.

Loon Lake School District #183

Adoption Date:

OCT 21 1999
