

Community Relations

In the belief that the school should be considered as a part of the community, it is the policy of the Loon Lake School District to make facilities available for community use under necessary regulation when such use is not in conflict with school operation. Local levy funds and/or fees will cover costs of facility use. The fee schedule appears on page 2. In order to carry out this service to the best interest of the whole community, organizations and individuals seeking the use of school facilities will be classified as follows:

Group 1: Allied Local School and Community Groups - This group includes organizations whose main purpose is to benefit the Loon Lake School students and provide members of the community access to government programs and opportunities for civic participation e.g. Parent-Teacher organizations, booster clubs, community clubs, service clubs, Scouts, local 4-H clubs, youth and family recreation and athletics groups that include Loon Lake students, governmental groups, and political caucuses.

Group 2: Non-Allied Individuals and Groups - This groups includes groups and individuals from the community that wish to use the building and/or equipment for non-profit events such as non-school youth and adult recreation and athletics groups, reunions, receptions, birthdays, anniversaries, etc.

Group 3: Profit Making - This group includes individuals, businesses, and/or other organizations that desire to use the facilities for profit making.

It is understood that a representative of any group using the facility will consult with the Superintendent before using the facility for the first time to ascertain the areas of the building to be used and locate light switches rest rooms, equipment storage, etc.

The facility use applicant will pay for any damage done to the facility. If the Superintendent determines that a custodian or staff member is required to be on-site, the user group will pay the cost of such employee a minimum of \$20.00.

Facility Use Application: Facility use shall be scheduled with the Business Manager. All users shall accept full responsibility for any damage done to school property or equipment and agrees to protect, indemnify and save Loon Lake School District from all liability resulting from use of said facility.

A \$50.00 damage deposit will be required for building use from Groups 2 and 3. Damage deposits are refundable on the condition that the facility is clean and no damage has occurred and no additional fees have been incurred.
